Data Protection Covid-19:

It is a requirement under regulation 21 of the Health Protection (Coronavirus Restrictions) (No. 4) (Wales) Regulations 2020 that we collect and retain contact information for those people visiting the Community Hall.

Your details will only be used in the event of a case, cluster or outbreak of coronavirus (i.e. more than one new case of coronavirus) that is tracked back to these premises. The NHS Wales Track and Trace service will use this information to check if people may have been exposed.

Your data will be retained by the secretary, as the nominated person within our group, in a secure place for 21 days, after which time it will be destroyed.

We can confirm your details will not be used for any other purpose, nor do we pass on information to third parties for marketing purposes.
