

## Horseman's Green Quiz Night

The Community Hall in Horseman's Green was packed to capacity on Saturday evening for Quiz Night! The Quiz Master and host for the evening was local resident, Peter Lawrence. Thirteen teams competed for the coveted "Horseman's Green Quiz Trophy" and the ... "Wooden Spoon"! Teams consisted of residents from Horseman's Green itself and neighbouring villages. The Doors were due to open at 7.00pm, but eager participants arrived early for an event which saw the hall filled with nearly 70 competitors. Quiz Night is certainly a popular occasion at this increasingly popular venue. There were seven rounds of questions starting with country emblems displayed at the recent Rugby World Cup. You could almost hear the groans from those who had not followed this major world sporting occasion! Other rounds included subjects such as History, Geography, and Music and of course General Knowledge. The atmosphere in the hall was abuzz with friendly but competitive chatter as individuals in their family and friendship groups delved deep into their little grey memory cells. The winning team, by just a small margin was the Dimwits. Congratulations to them for displaying such a breadth and depth of knowledge!

Competitors enjoyed a sumptuous buffet at the interval consisting of a variety of savoury and sweet dishes, many of which were homemade. These refreshments were thanks to the generosity of the participants who were asked to bring "A Plate to Share". The table groaned under its weight of appetizing food. There certainly was an abundance of 'food for thought'! Tea and Coffee was provided by the Community group.

Huge thanks go to Hilary for organising the event and her husband David for providing the hot drinks and working in the kitchen. Very special thanks go to Peter, the Quiz master. Once again, a truly enjoyable evening! Almost £200 was raised for the Community Hall Fund.

Future events in Horseman's Green include a Christmas Bingo on Friday December 13<sup>th</sup> Further information on this and other activities can be found on Horseman's Green Facebook page. Whilst all are warmly welcome to these Community activities booking in advance is strongly recommended at this sociable and friendly venue.
